Dear Patient:

Welcome to Merrimack Family Medicine!

Enclosed you will find a few documents we ask that you complete and process prior to your first appointment. Please keep all the forms on Office Policies and Guidelines for your reference.

- Patient Registration
- Medical History
- Patient Consent Form (HIPAA)
- Consent to Release Medical Records**
- Merrimack Family Medicine Office Policies

** The Consent to Release Medical Records form must be completed and forwarded to your previous PCP. Copying and sending your previous medical history can take a few weeks. Please send out the Consent to Release Medical Records as soon as possible.

The Medical History, Patient Consent and Patient Registration forms need to be returned to Merrimack Family Medicine.

Remember to contact your insurance carrier to change your PCP prior to your first visit. This will prevent any delay in your appointments and/or financial responsibility for any services rendered.

Our practice has been in operation since 1988. We pride ourselves with excellent patient care in a warm friendly, family atmosphere.

Patients come first in EVERYTHING we do.

If you have any questions, please do not hesitate to contact us at the number above.
